Please refer to the notes below.

IMPORTANT NOTES:

- 1) In order to protect all parties against the possibility of perpetration of any financial crime and comply with AML Directive DI144-2007-08 of 2012 of Cyprus Securities Exchange Commission and related EU regulations, Techno Innovations will only process withdrawals/refunds back to the source of the original deposit.
Please be informed that in the event that funds have been deposited by both an online payment solution (Credit/Debit Card) and by bank wire, the funds deposited via the online solution will be processed first back to the sending credit/debit card up to the total amount deposited through this method and then any remaining funds will be returned by bank wire transfer
- 2) Withdrawals as foreign remittance which will be sent to an account kept in a different currency to your MT4 trading account will be converted at an exchange rate determined by our/your bank.
- 3) Should you wish to withdraw funds via foreign remittance, (intermediary) banks charge us and/or you for the transfer that is relayed to you. This charge is deducted from your payment by (intermediary) Techno Innovations LTD and/or your bankers.
- 4) Techno Innovations charges no processing fees for withdrawals
- 5) Withdrawals paid to European banks usually require three to five working days to be credited.
- 6) Withdrawals paid to banks outside of Europe usually need four to seven working days to be credited.
